Are you looking for an affordable, compact-sized and fast DTG printer?

TexJet® shorTee suits you to a T!

FAST ROI

Return on investment in approximately 2-6 months (e.g., sell 20 t-shirts/day at 15€/t-shirt, 25% light & 75% dark t-shirts. ROI at 2 months!)

COMPACT SIZE

Easily portable, perfect for events (e.g. concerts) to print promotional t-shirts.

HIGH SPEED

Do more in less time. Print up to 80 white & 28 dark t-shirts/hour, be responsive to different customer requests.

highlights

KEY CHARACTERISTICS OF TEXJET® DTG PRINTERS

Stunning print quality: Image clarity, color accuracy, sharp details

Cost-effectiveness: Low running and maintenance costs

Efficiency: Fast Return on Investment

1-year full warranty: On print head and all mechanical parts

Enjoy the benefits of an **innovative RIP software** specially designed for TexJet dtg printers.

INCLUDED IN PRICE!

TexJet RIP v7

features

- Color accuracy** - What you see (on the screen) is what you get (on the print).
- Cost calculator** - Preview the ink cost before printing.
- White mask generator** - Easily create the white underbase to print on dark garments without depending on other photo editing programs.
- Archive print jobs** - Review settings and costs, anytime.
- Single pass printing** - Print white and colors at the same pass. Get faster speed, lower cost and increased productivity.
- White density configuration** - Adjust the quantity of white ink and achieve different effects on the same print.
- Ease of use** - Drag, drop and print; no special skills required.
- Supports all common image file formats** (jpg, png, tif, pdf)

Compatible with
 Mac OS Windows
* OSX 10.7 and later, Windows XP, Vista, 7, 8, 10

SNAP-ON PLATENS

Easy to use, interchangeable, with adjustable frame systems that allow you to print on both thin and thick garments.
