

THE PERFECT ENTRY-LEVEL PRESS

Now even bigger!

The MerchMaker™ is an affordable transfer press with features you would only expect from a professional device. It has an extendable base plate, intuitive time, temperature, and pressure settings, and a centered pressure adjustment knob.

The press is lightweight and has a 38 x 38 cm plate—the perfect size for precise placement on a variety of textiles.

The MerchMaker™ is the ideal entry-level, backup, and hobby press.
